

JANE DOE

Front-end Web Designer

Remote or San Francisco, CA | jane.doe@example.com / [Portfolio](#)

BIO / OBJECTIVE

I am a detail-oriented Front-end Web Designer focused on crafting beautiful, user-friendly, and responsive websites. Passionate about design and creating seamless user experiences. Seeking opportunities to apply my skills in a fast-paced environment.

EDUCATION

Bachelor of Science in Computer Science – Stanford University, 2015 – 2019

Graduated with honors. Specialized in web development and user experience design.

Certified Front-end Developer – Codecademy, 2020

Completed an intensive program focused on modern front-end technologies.

EXPERIENCE

Front-end Developer – PixelCraft Studios, 2019 – 2023

- Designed and developed responsive websites using HTML, CSS, and JavaScript.
- Collaborated with designers and back-end developers to improve user experience.
- Optimized website performance, reducing load times by 30%.

Web Design Intern – CreativeSpark Agency, 2018 – 2019

- Assisted in creating wireframes and prototypes for client projects.
- Conducted usability testing and implemented feedback to enhance designs.
- Gained hands-on experience with tools like Figma and Adobe XD.
